How Do I Link to My Checkout Page?
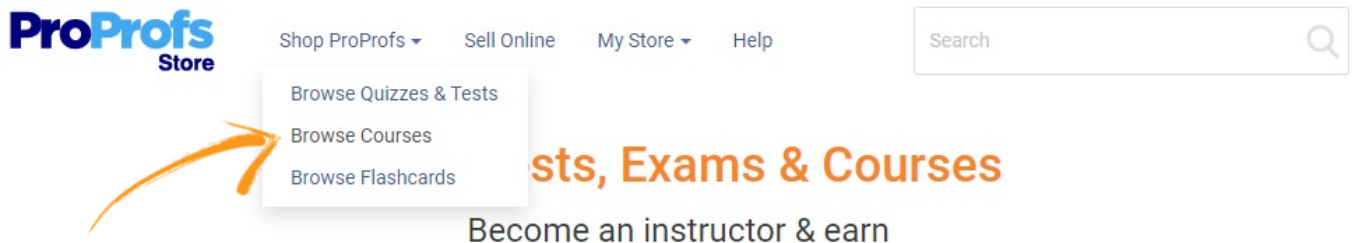

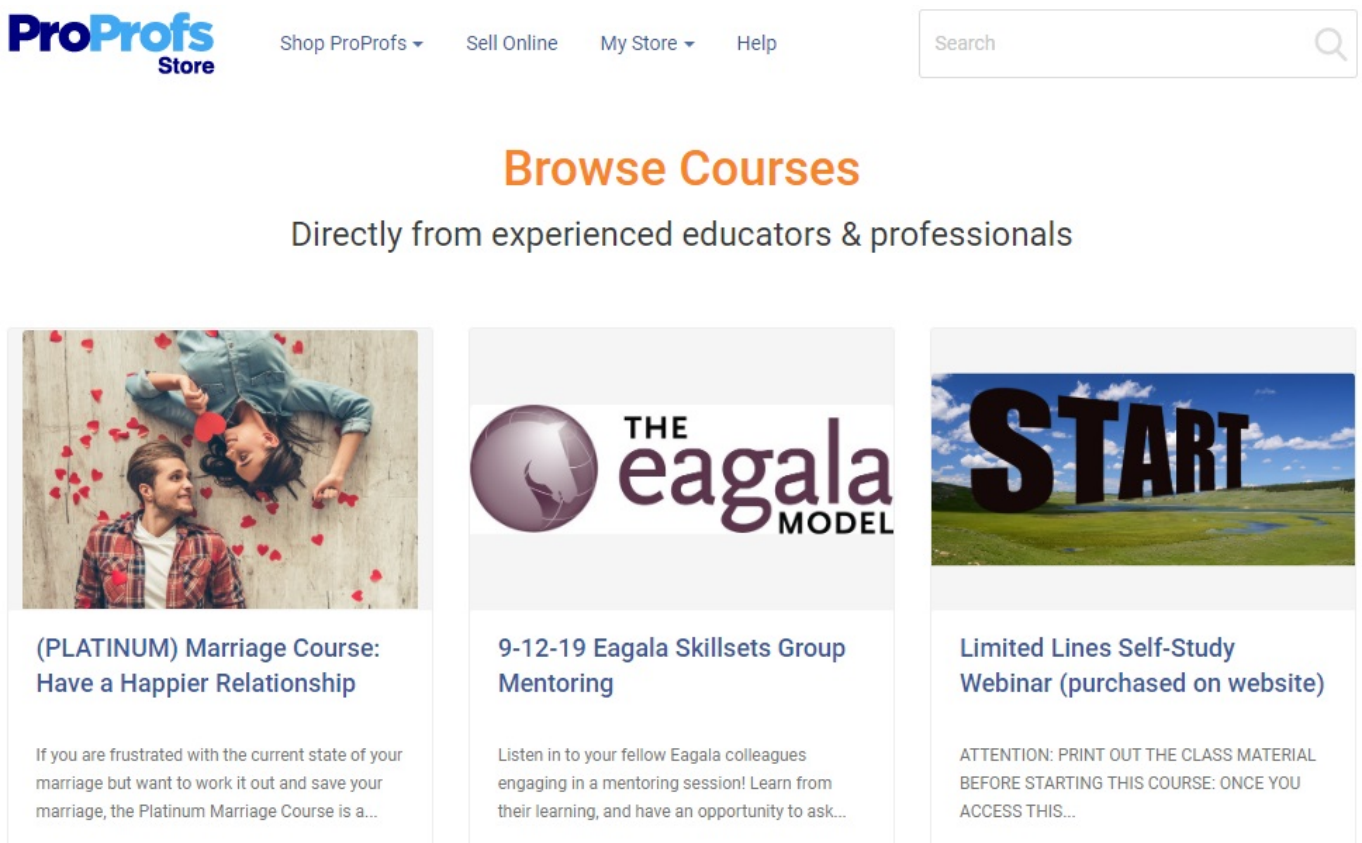

If you have an external sales page (such as a page on your website) and want to create a call to action that links directly to the ProProfs hosted checkout for a particular course or if you are sharing your checkout link with your audience, this article is for you!

Steps to obtain the Checkout link and share it on your website page:

Step 1. On your ProProfs Store landing page, go to **Shop ProProfs**, and select **Browse Courses.**

Step 2. Select a course of your choice.

Step 3. Click on the **Buy** button.

Step 4. Copy the **Buy** link.

You'll be billed: **$299**

Course Title: (PLATINUM) Marriage Course: Have a Happier Relationship

Step 5. Put this link as a CTA on your website to redirect your customers to the ProProfs hosted Checkout page for the selected course.
